Education Background

- Kongu Engineering College, Perundurai.
B.E.Civil Engineering,
Completed in 2023 with **82.9%**
- Veveaham Higher Secondary School,
Dharapuram.
Completed SSLC in 2017 with **95.4%**
- Veveaham Higher Secondary School,
Dharapuram.
Completed HSE in 2019 with **70.5%**

Career objective

- Seeking a challenging position in a reputable organization to expand my learning, knowledge, and skills while contributing to company growth by maximizing every opportunity.

Co-Curricular Activities

Masterclasses and Workshops

- Attained proficiency in **React.js** through Let'sUpgrade community's intensive 'Zero to Hero' masterclass, mastering key concepts and practical skills.
- Participated in a live workshop on **AI tools** as part of the Be10x program. Acquired practical experience and hands-on training in various Artificial Intelligence tools and techniques.
- Participated in Be10x **PowerBI Tools** live workshop, where I acquired the knowledge to design impactful dashboards, create compelling data visualizations, and conduct advanced data analytics.

Certifications

• **Vites Technologies(2023-2024)**

Certified MERN Stack Developer, Vites Technologies, Coimbatore. Proficient in MongoDB, Express.js, React.js, and Node.js, with hands-on experience in developing full-stack applications.

• **Communication Skills course – TCS iON**

Completed a Communication Skills course powered by TCS iON, encompassing vital topics such as the Importance of Communication, Process of Communication, Barriers to Communication, Non-Verbal and Verbal Communication and Effective Communication strategies

Projects

- Developed a **MERN stack website** for "Neesh Design," a clothing store, encompassing frontend and backend development to deliver a dynamic and user-friendly online shopping experience.
- Crafted an engaging **Live News App** using React and JavaScript, seamlessly integrated with online news APIs for real-time updates.
